**THE SCALE ON A MAP**

Distance on a map is measured by its "scale." By laying a rule on a Government map and ascertaining the number of inches between two points the number of miles between them can readily be calculated. Nearly all maps are drawn to a scale representing one, two, three, or more miles to the inch, as the inch is the common unit of measurement in the United States by which the eye is accustomed to judge distances on paper.

A scale of 1:62,500, used in the well-known United States Geological Survey topographic maps, that 1 inch on the map represents 62,500 inches on the ground, which is the approximate number of inches in a mile. Therefore the scale is, almost exactly, 1 inch to 1 mile. A scale of 1:125,000 is approximately 2 miles to 1 inch and a scale of 1:1,000,000 represents 16 miles to 1 inch.

**Ask Anyone Who Has Used It**

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it. adv-25-5t

**HANDS, ARMS, LIMBS ASLEEP**

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child, I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time. I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, 'It's a good medicine, and good for that trouble,' so he got me 5 bottles. After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it. 16
